

The students to the project

2014-2015

"The SEA travels us"

The beginning was ...

at the Nafplion Annex of
the National Gallery

...and the periodic
exhibition

“SEA in the modern Greek
Painting”

At the Gallery

the students observed the projects

V. Chatzis, *Sailing into the Harbour*

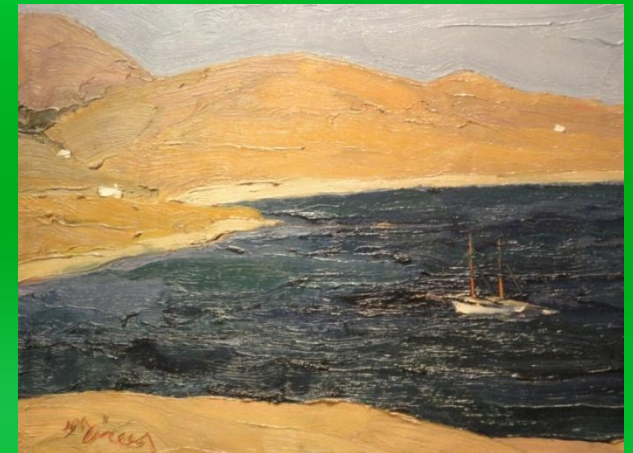

At the school the students in action

The students inspired from the paintings

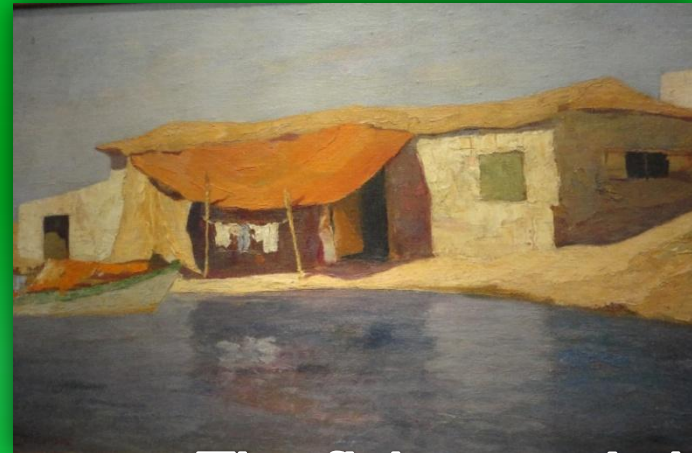

N. Lytras, *The lighthouse*

N. Lytras, *Seascape*

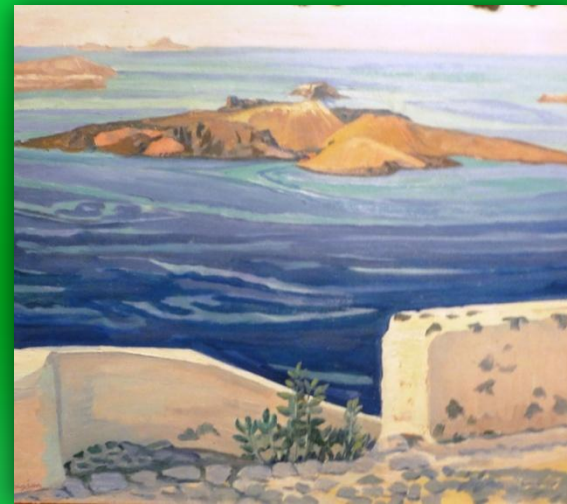

The students inspired from the paintings

M.Economou, *The ocean*

Economou, *The fisherman's house*

The students inspired from the painter

K. Maleas, *Kameni, Santorini*

The students inspired from the painter

N. Ghikas, *The water*

P.Tetsis, *The water*

The students in personal creations

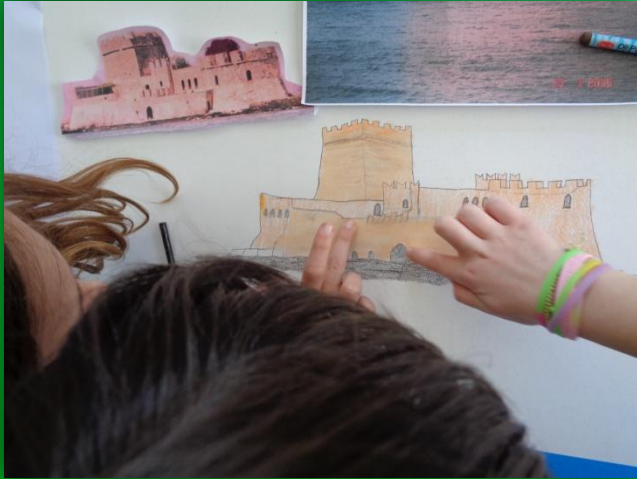

The students tried the colours

The techniques

Painting (Oil pastel & tempera)

The techniques

Painting & Collage of glasses

A student thought...

and all the student worked on a dig painting

The techniques Painting & Collage with glasses

and the idea
became a painting by all the student

The teachers guided them ...

and the students experimented
to a variety of art techniques.

Multilateral dimension

- Social skills (cooperation)
- The History of Art (in the Modern Greek Painting)
- A colour story with blue paper (painting, creative writing)
- The crazy ship (Literature, Music, Painting)
- Using ICT (Movie Maker, PowerPoint, Skype)
- Cooperation (ETWINNING)

Our school shared the ideas with European schools

- **Communication by Skype**
