

The sea travels us!

«The crazy ship»

GOALS: Cultivation of creative thinking
Using of ICT (Movie Maker)
Teaching of a song
Approaching of a poem

1st Activity:

- The teacher asked from the students to paint their own “crazy ship”. A poet has written a poem about a craziness ship, how they imagine it.
- Every student painted a ship and he /she explained what is the crazy in his/her boat.
- Then, the pupils heard the song composed by Dimitrios Lagios and with the lyrics of Odysseus Elytis (surrealistic poetry) and they combined the words of the poem with their paintings.

2nd Activity

The students read the poem and the acquaintance of the poem’s meaning followed. The students understood “who is hidden behind the crazy ship”.

3rd Activity

- The music teacher taught the song to the students.

4th Activity

- When the students gathered the entire material, they created a MOVIE MAKER . They uploaded the photos to the application, they wrote the lyrics to the slides and they added the song , which the students had recorded it live.
- This video has uploaded to : <https://www.youtube.com/watch?v=8SxoiKitbRs>

With this activity we took place to the Competition of Microsoft.

OBSERVATIONS

*As I am the responsible teacher for the poem analyzation, I have to pinpoint: It is **remarkable how the students thinking and the poet ideas have come close** and the students painting was combined perfectly with the poet words.*
